**STAY HOME.** If you feel sick, are experiencing COVID-19 symptoms, or have come into contact with someone who has COVID-19, please do not come to the Club.

**USE AT YOUR OWN RISK.** Members who choose to visit Club grounds during this time should be aware of the potential risks. Know that you come to the Club on your own accord and know the risk you are taking by coming to a public area.

**MEMBERS ONLY.** We ask that during these times of social distancing and limited gatherings that you refrain from bringing guests to the Club (unless guests are going straight to your moored boat).

**FACE COVERING.** All members (children and adults) must carry a face covering with them while on Club grounds. A face covering must be worn if you are within 6 feet of any other individual outside of your household.

**6' SOCIAL DISTANCE.** Maintain the recommended 6 feet + social distance with anyone not in the same household.

**SANITIZE YOUR HANDS OFTEN.** BYO alcohol-based hand sanitizer with at least 60% alcohol and clean your hands often.

**HOIST & HIGH TOUCH AREAS.** If you use the hoist or any high touch area, BYO disinfectant and wipe down all surfaces that you touch before and after use.

**CHILDREN OF MEMBERS.** Parents are responsible to ensure their children respect these COVID-19 Guidelines, as well as the PYC Rules. Children under 12, and those that cannot follow these guidelines independently, require adult supervision at the Club.

**USAGE & ACCESS GUIDELINES.** All guidelines remain in effect wherever you are on the property; including the ramp, the docks, the Tiki Hut, tying up your boat, rigging your boat, getting your kayak/paddleboard/shell in the water, etc.

**BOATERS.** Review the CT Marine Trades Association's Safe Boating Guidelines.
